

OFFERR application template

1 Project identification data

1.1 Project title

1.2 Call area

1.3 Infrastructure name(s)

1.4 Project start date

1.5 Project end date

1.6 Key words (3-8)

2 Project content description

- 2.1 Scientific motivation (max. 500 words)
- 2.2 State of the art (max. 1000 words + references)
- 2.3 Objectives (max. 200 words)
- 2.4 Methodology (max. 1000 words + references)
- 2.5 Scientific outcome (max. 200 words)
- 2.6 Impact for end-users (max. 500 words)
- 2.7 Feasibility/risk analysis/risk mitigation (max. 200 words)

3 Project timeline

3.1 Activities and outcome in various stages of the project

4 User's team

4.1 Principal researcher

4.1.1 Name

4.1.2 Surname

4.1.3 Nationality

4.1.4 E-mail address

4.1.5 Affiliation

4.1.6 CV (education, relevant experience, max. 5 most important achievements)

4.1.7 Activities carried out during the project

4.2 Other visiting researchers

4.2.1 Name

4.2.2 Surname

4.2.3 Nationality

4.2.4 E-mail address

4.2.5 Affiliation

4.2.6 CV (education, relevant experience, max. 5 most important achievements)

4.2.7 Activities carried out during the project

5 Infrastructure team

5.1 Infrastructure contact person

5.1.1 Name

5.1.2 Surname

5.1.3 Nationality

5.1.4 E-mail address

5.1.5 Activities carried out during the project

5.2 Researcher involved on behalf of the infrastructure

5.2.1 Name

5.2.2 Surname

5.2.3 Nationality

5.2.4 E-mail address

5.2.5 CV (education, relevant experience, max. 5 most important achievements)

5.2.6 Activities carried out during the project

6 Financial plan

6.1 Estimate of expenses

6.1.1 Infrastructure services

6.1.2 Consumables directly related to the experiment

6.1.3 Travel and subsistence

6.2 Other funding sources

7 Additional data

7.1 Non-preferred reviewer #1

7.1.1 Name

7.1.2 Surname

7.1.3 Affiliation

7.1.4 Reasons

7.2 Additional comments
