

SNETP

**BOOSTER CALL
FOR SME
& START-UP MEMBERS**

SNETP launches its booster call with two different tracks. Choose your programme & apply until September 29, 2023!

SNETP BOOSTER CALL

1. TRAINING PROGRAMME

Receive a ≈2-day training for you and your team on the rules of participation and the common mistakes to avoid when applying for EU programmes

- The training will take place in the course of 2023-2024 and will focus on the aspects you need most
- It will be performed by the specialist of your choice
- There will be no fee to pay by the selected entity
- A total of 5 entities will be awarded for this programme

SELECTION PROCESS

- The application form will be made available on the SNETP website
- The application will be reviewed by the SNETP FORWARD partners to review the eligibility of the applicant
- The final decision will be made by a panel of scientific experts from SNETP, following a pitch session by the candidate

SELECTION CRITERIA

- ✔ Compatibility between business activities and the SNETP SRIA /5 points
- ✔ Motivation section /5 points
- ✔ Experience in EU projects /5

For each criteria, a minimum threshold of 3 points is required. Successful candidates will need to obtain at least 10 points.

SNETP BOOSTER CALL

2. SUPPORT PROGRAMME

Receive up to EUR 10.000 for contracting a Project Management Organisation to support with the administrative tasks of the project preparation

SELECTION PROCESS

OPTION 1

You already have a consortium!

OPTION 2

You are searching partners !

Thanks to its SOIP, SNETP can connect you with a consortium

If your project is aligned with the SNETP strategy, and once the consortium is identified, selected applicants will be eligible to receive a support up to EUR 10.000 for contracting a PMO.

The final decision will be made by a panel of scientific experts from SNETP, following a pitch session by the candidate.

You will be provided a list of PMO organization to find the best organization to support you.

SELECTION CRITERIA

- ✔ Compatibility between business activities and the SNETP SRIA /5 points
- ✔ Motivation section /5 points
- ✔ Experience in EU projects /5

For each criteria, a minimum threshold of 3 points is required. Successful candidates will need to obtain at least 10 points.
