

# INVITATION

NE•RS  
2023

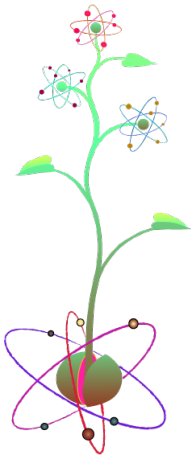

Dear all,

The 15<sup>th</sup> Annual International Conference on Nuclear Energy NE•RS 2023 will be held in Prague on

**Thursday, October 19, 2023**

**SAVE THE DATE!!!!**

**An exceptional and unrepeatable opportunity – new nuclear build in Czechia and the growing interest in nuclear power plants in Europe – a real path to emission-free energy**

At the conference, you will learn about the fundamental contribution of nuclear energy not only to electricity generation but also to economic development. It will also discuss information and knowledge sharing within an alliance of sixteen European countries already developing their nuclear programmes. As in previous years, you will meet senior representatives of the most important supplier companies and representatives of the nuclear industry, as well as representatives of international institutions, politicians, and strategists.

**DO NOT HESITATE WITH REGISTRATION, SPREAD INFORMATION ABOUT THE CONFERENCE – TO YOUR COLLEAGUES, FRIENDS, ALL STAKEHOLDERS – IT IS IMPORTANT TO MEET AND DISCUSS!!!**

The inspiring and friendly atmosphere will offer you a new information you need for your work. **We look forward to meeting you on Thursday, October 19, 2023 at NE•RS 2023.**
