Practical information for the Webinar:

- This webinar is dedicated to project leaders of applications that have already been selected. Inquiries concerning the OFFERR application process or evaluation will not be answered.
- We will wait some minutes for registered participants to join the Webinar.
- We will start recording the event in few minutes. We assume that all participants agree with the recording, but if anyone does not want to be recorded, please leave the webinar immediately.
- Please keep your microphone and video off, unless explicitly invited.
- Comments and questions about the presentations are welcomed all the time via the chat of the Webinar. They will be answered in the time reserved at 15:00.
- In the OFFERR web there is a Q&A page and we will try to incorporate in the coming days the questions discussed in the webinar and those sent by the participants during the webinar that we cannot answer during the allocated time for the webinar.
